

WORK OF LEADERS®

The Everything DiSC Work of Leaders® approaches leadership as a one-to-many relationship. It focuses on helping leaders take tangible steps in leading a group or organization to reach desired outcomes.

It is a research-validated learning model that creates a highly-personalized learner experience that is leadership-specific with in-depth information, while providing tips, strategies, and action plans to help leaders become more effective.

CONNECTS TO REAL WORLD DEMANDS

Using the framework of Vision, Alignment, and Execution, Work of Leaders® encourages leaders to understand their own leadership behaviors and how these behaviors impact their effectiveness through rich, compelling narrative that adds depth to data and strong visuals that support the learning process.

WORK OF LEADERS: VISION, ALIGNMENT, AND EXECUTION

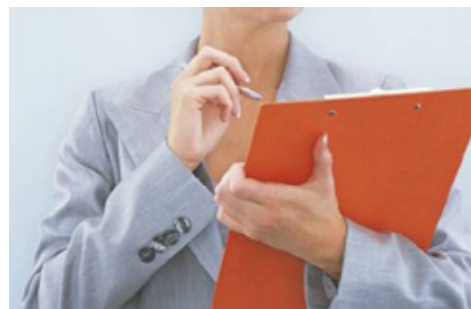

VISION

The work of leaders includes crafting a vision of new possibilities for the future through **exploration, boldness,** and **testing assumptions.**

ALIGNMENT

Leaders build alignment by communicating with **clarity,** engaging in **dialogue,** and providing **inspiration,** so everyone is moving in the same direction.

EXECUTION

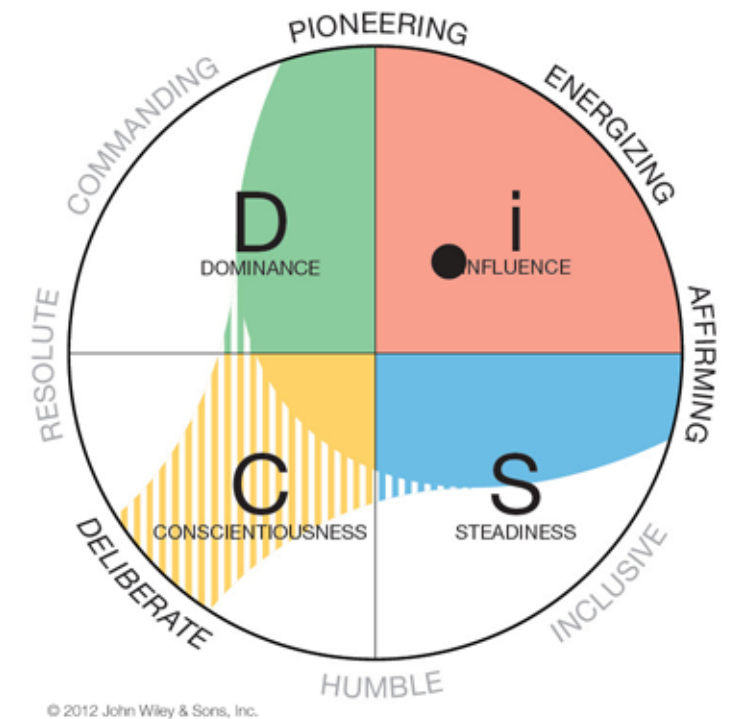

Finally, leaders need to champion execution through **momentum, structure,** and **feedback,** to enable the group to capitalize on its talents while making the vision a reality.

GENERATES POWERFUL CONVERSATIONS

Provides consistent thought-provoking ideas, stimulates fresh conversations and perspectives, regardless of leader's knowledge or experience and provides an opportunity for leaders at all levels of learning to reflect on how they approach each step of their work. It encourages reflection and discussion about the team and organization.

PROVIDES A CLEAR PATH FOR ACTION

Helps leaders take action with personalized tips and strategies that give clear direction and are easy to apply with context-specific feedback and development steps. Helpful case-in-point narratives show how progress can play out in real life.
